Info About Me

I am a 21-year old student from Helsinki. I mostly spend my free time on the computer, either making or playing games. I am searching for a job in the IT field where learning new things and making great products is a part of everyday.

Experience

IGDA FINLAND VOLUNTEER 2023-now

- Meeting lot of games industry related people
- Going to many games industry meetings and events to build connections and learn about interesting topics

RESEARCH ASSISTANT

Merisotakoulu, varusmiespalvelus 07/2023 - 03/2024

- Simulation tools
- Python, Lua

GAME DEVELOPER

Rovio, Angry Birds Friends Team 01/2023 - 05/2023

- Fixed game bugs and implemented new UX solutions
- Worked in large multilingual teams
- Learned to make sustainable large company level code

TECHNICAL SUPPORT ENGINEER INTERN

Gigantti Forum - Helsinki, Finland 01/2021 - 03/2021

- Responded to support requests from customers and walked individuals through basic troubleshooting tasks
- Analyzed issues to identify troubleshooting methods needed for quick fixes
- Advised senior costumers on potential improvements to increase functionality of their devices
